EXAMINER'S AMENDMENT

An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

On page 6, line 21, of the specification, "Fig. 2 is a diagram" has been changed to "Figs. 2A and 2B are diagrams".

This minor grammatical change is necessary in order to reflect the actual labeling in the drawings.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance: During a telephonic interview on November 18, 2003, the Examiner and applicant's representative agreed on changes to the claims that would overcome the previously applied rejections and result in allowance of the claims. Applicant's remarks on pages 5 and 6 of the after-final amendment submitted on November 25, 2003, accurately reflect the agreements made during the interview and accurately summarize the claim distinctions with respect to the prior art. Claims 1, 3-10, 13, and 15 are therefore allowed.

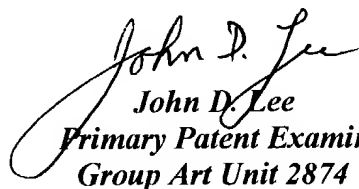

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
